Communication
That Connects

Consciously aware of own emotions
Manages them well

Consciously aware
of own emotions
Does not know
how to manage
them well

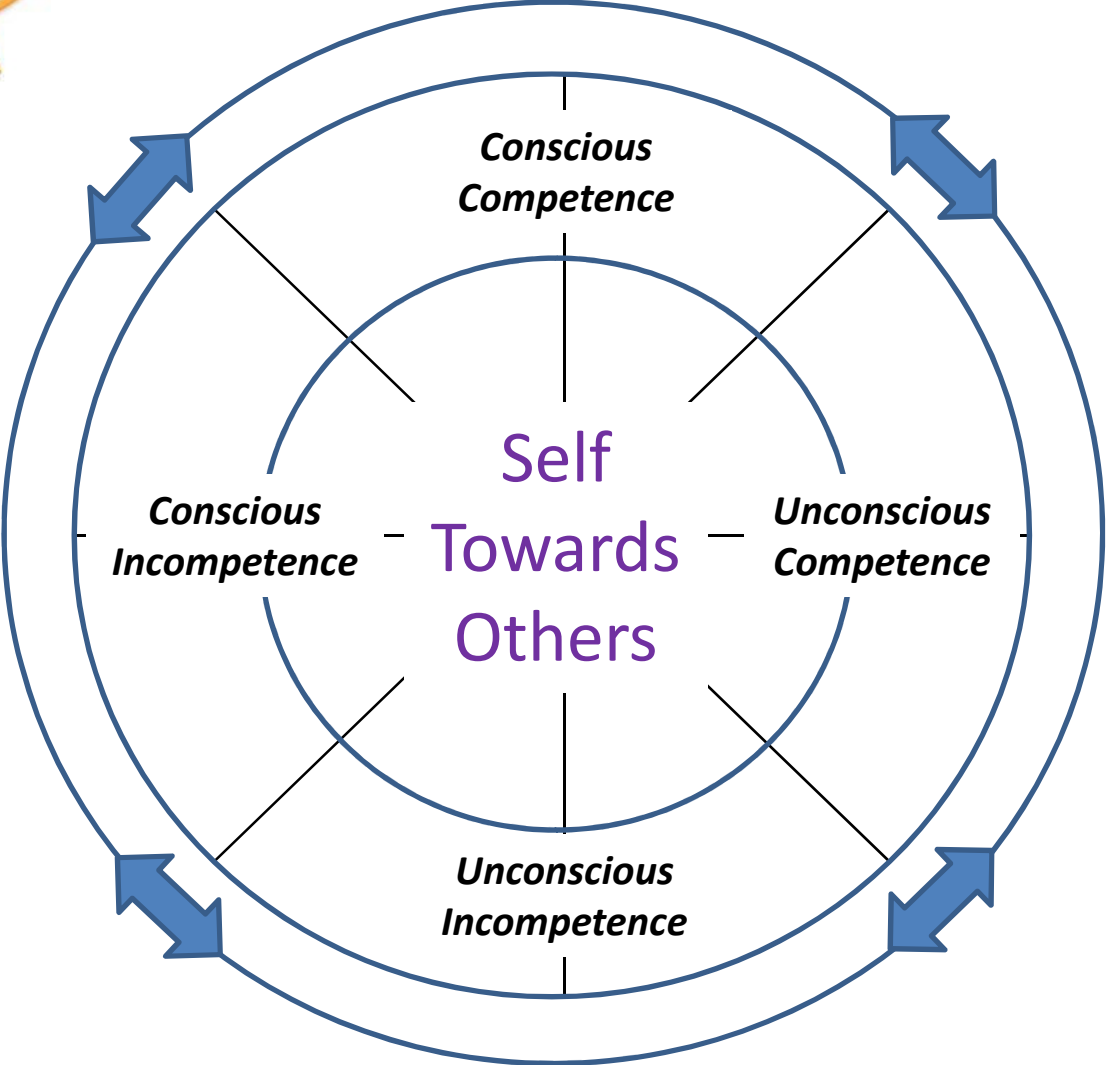

Not consciously
aware of own
emotions
Manages them
well

Not consciously aware of own emotions
Does not manage them well

Communication
That Connects

Consciously aware of the emotions of others;
handles the emotions of others well

Consciously aware
of emotions of
others;
does not know
how to handle the
emotions of others

Not consciously
aware of the
emotions of
others; handles
the emotions of
others well

Not consciously aware of the emotions of others
does not handle the emotions of others well
